"Interested in

#### **CHEER CLASSES**

this summer for any age?"

Contact Coach Steph

The mission of Klamath Gymnastics is to use gymnastics as a tool to develop and enhance each student's strength, endurance, flexibility, self-esteem, self-discipline, personal character and overall fitness. We strive to give the highest quality of instruction and instill good values. We want to stimulate a love for learning, exercise, and nutrition.

We hope to enrich the lives, of children of all ages & body types, by developing their self-confidence. We know that every child is different and must reach their goals at their own pace. We want every child to know that their goals are attainable if they are willing to put forth the effort. We believe that a positive attitude and good work ethic are the keys to success. In essence, we are striving to develop life skills that will last long after their gymnastics days.

#### Congratulations to our State competitors!

Mikayla Hernandez-  
35.0 All around score  
Cheyenne Cushman placed  
Emily Chamberlain &  
Amanda Gatz  
Great Job!

*Our Greatest glory is not in never failing, but in rising up everytime we fail.*

*-Ralph Waldo Emerson*

#### Taking a Break from Gym?

Summertime is fun time. We know how it is. You want to make it an extra special time for you and your children to spend time together, relax and just have fun! The first couple of weeks you are super organized! You have vacation, planned activities such as going to the park, playdates, swim lessons, crafts and water games but very quickly you have exhausted your resources and yourself and then comes the one thing that no parent likes to hear from their children... "I'm bored!" If your planning to take a break from gymnastics this summer here are a couple of options you may not have thought of.

#### Did you know?

1. If you are coming twice per week consider dropping back to once per week. Gives you more time for outside activities but not lose your space in gym or your child's progress!

2. If you feel you need take that month off... Take it! We can save your space in class for up to 3 months. Just pay half of your normal tuition fee to hold your space! Example: Preschool Student normal tuition is \$40.00. With 'Summer Hold' pays only \$20.00 per month while gone and is **guaranteed** their spot in that class when he/she returns.

**The main thing to remember is gymnastics is a year round program.** Children after even a few absences can quickly lose skills and muscle strength. **We dont close in the Summer.** Although our number of participating Summer students is not as great as in the fall and Winter months, we still have a high demand for certain class times & teachers. If you decide to take a break, we highly recommend paying the hold fee. We cannot guarantee any space will be available without it.

#### Gym closures

Memorial Day May 25th.

Closed for maintenance-

**June 29th to July 3rd.**

End of Summer Break-

August 24th through Sept 4th.
