

# Tumble Times

## June 2009 Edition

Klamath Gymnastics 1120 S Spring St Klamath Falls (541) 883-8295

### KGA proudly announces the Preschool Olympics!

Join us for a noncompetitive fun night for our littlest students ages 3 to 4 years! Awards will be given to every competitor. Everyone is invited to watch the show!

**Date: Saturday, July 18th, 2009**

**Olympians Entry Fee: \$5.00**

**Ticket Cost: 2 can food items per ticket.**

Tickets will be available at the front desk starting **June 15th**. Please feel free to invite your friends and family. All canned food will be donated to the local food bank.

This is a great opportunity for your preschooler to strut their stuff. To keep the numbers of performers low we will be splitting the students up into two sessions. Please sign up with Brandi as soon as possible, if you would like your student to participate, so that we have a true head count.

### SUMMER FUN SCHEDULE!

**Merrill 4th of July Parade**

**State Games of Oregon**

-July 11th

**KGA Preschool Olympics**

-July 18th

**Jungle Treasure Hunt**

### Gym Closures

**Closed for maintenance**

**June 29th to July 3rd.**

**End of Summer Break-**

**August 24th through Sept. 4th.**

**PROUD TO BE AN AMERICAN!**

### Congratulations:

to Coach John Nelson & members of 'Team Fast' for a show stopping performance recently at the Klamath Dance Recital 'PROPS'

Congrats also go out to our own Coach Jenny Garlitz who performed in seven dance routines! Plus several of our KGA students also performed. **Great Job!**  
We are so proud of you!

*Team Fast is a group of OIT students who perform amazing acrobatic routines for community events. Klamath Gymnastics sponsors them by providing them a place to practice.*

### Taking a much needed break?

Remember you can hold your place in class for up to 3 months. Preschoolers pay only \$20.00 per month & 8 and ups pay \$22.50.

### Dancing with KGA's Stars!

Team Girls Stephanie Rey & Sarah Wolf will be performing in the upcoming Dance Recital 'Awakening' offered by Carla's School of Dance. Good Luck Ladies on your upcoming performance!

*"People rarely succeed unless they have fun in what they are doing."  
- Dale Carnegie*

### Progress Reports

Our staff is in the process of going through each student's progress chart to help the students know what they need to work on. If their chart is not up to date please let us know so that we can test their skills and pass off the skills that they can already perform. If you are curious as to what they need to do to move to the next level, please feel free to ask.

### Coaches Spotlight:

This month we wanted to showcase Coach **John Potter**. Besides being the husband of Coach Stephanie and CO-owner of KGA. John has two associate degrees, is an avid runner, has competed in the Snowflake and Prefontaine runs, is a huge Oregon Ducks Fan and a fierce Monopoly Shark! John became interested in gymnastics during his time on a college stunt team. John is a professional member of USA Gymnastics and is safety certified. He also loves Working with his students at KGA. When John teaches he always has a huge smile and always makes class time fun time!

### Boring Summer? No Way!

Consider adding a second class for \$20.00 per month more. That's just \$5.00 per class and you will see your student progress at a much faster rate!

### Interested in Cheer Classes?

We are planning to run cheer classes through July & August. We need to know how many people are interested. The classes will most likely be ran on Monday or Wednesday at 4:30. We need to get an idea of how many people are interested and what age groups we will be offering the classes to. The class will include cheers, chants, proper jump techniques, tumbling, stunting and dance. We would like for the students to perform at a football game at one of the high schools at the beginning of the season. Please let Brandi at the desk know if you are interested.
